Tips for Beginners in Tagalog:

1. Consult a native speaker when you wish to know the Tagalog word for something.
2. Listen (or watch) Filipino children songs like "Bahay-kubo", "Sampung Mga Daliri", "Paa, Tuhod, Balikat, Ulo" and "Tatlóng Bibe".
3. **Hire a tutor. See if Albine Bodo of Aralin World has a slot for you.**
